- DVSA approved
- Optional Bluetooth connection
- Optional warranty extension

Weight and Dimensions

Total weight:	280kg
Length:	2,960mm
Width:	730mm
Depth:	325mm
Available wheel track:	880mm-2,680mm

TECHNICAL DATA (RBT 3500 XS C7)

- Maximum permissible axle load: 4,000kg
- Maximum measured wheel load: 20,000N
- Measuring range: 20,000N
- Test speed: 2.8Km/h
- Measuring resolution: 1N
- Measure: Strain gauges
- Roller coating: Long Life Epoxy Corundum
- Roller diameter: 200mm
- Voltage: AC 380/220V 3PH 50Hz
- Motor power: 2 x 4Kw
- Bluetooth connection: Optional
