

HEADLAMP TESTER

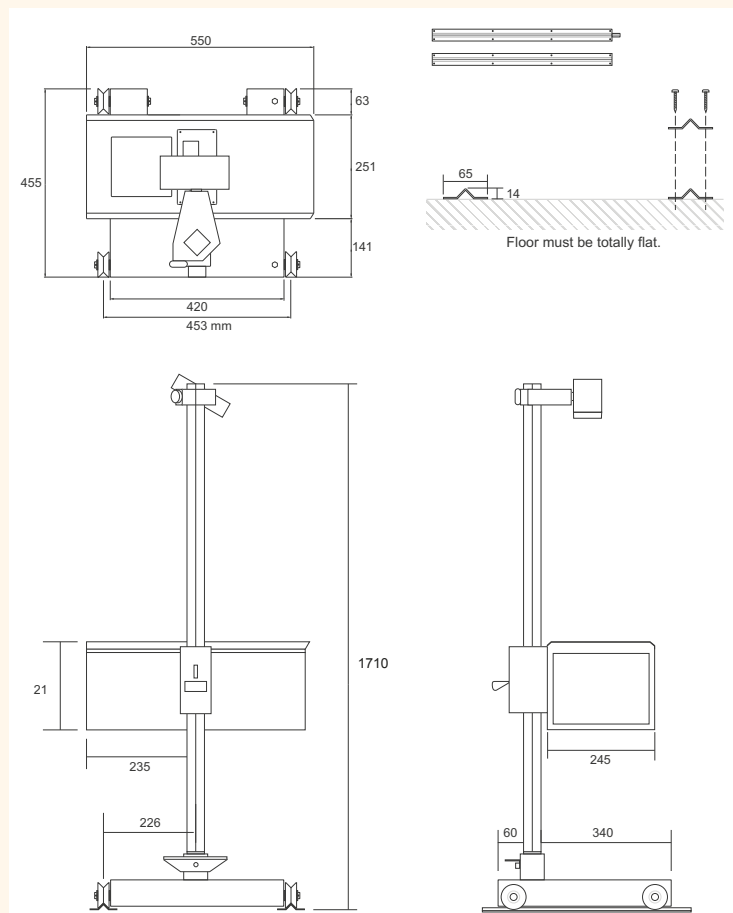

FOR ALL CLASSES, INCLUDING HGV

The Luxus Commercial Vehicle headlamp tester covers HGVs, Busses and Coaches, plus Class I, II, IV & VII vehicles. It is suitable for testing and adjusting most headlamps (high, low and fog lights), including Xenon Headlights and LED Headlights. Designed with the workshop engineer in mind, these Headlamp Testers provide simple adjustments, easy manoeuvrability, user friendly results, precision and smooth operation.

All our Headlamp Testers are DVSA and CE Approved for your peace of mind and quality assurance.
