

# 514 G-SERIES

## TYRE CHANGER

**Introducing the Luxus 514 G-Series. Based around the heavy-duty structure and premium specification of the ubiquitous megamount 513 Racing, the fully-automatic Luxus 514 G-Series continues to offer the versatility, rigidity and speed of operation associated with the original but now with even greater flexibility, thanks to an upgraded, adjustable bead breaker arm and increased clamping via a new, bigger turntable.**

The 514 G-Series offers possibly the best price to performance ratio on the market, when compared with other premium tyre changing machines.

Now with upgraded, adjustable bead breaker arm and even bigger clamping range!
