

714 G-SERIES

TYRE CHANGER

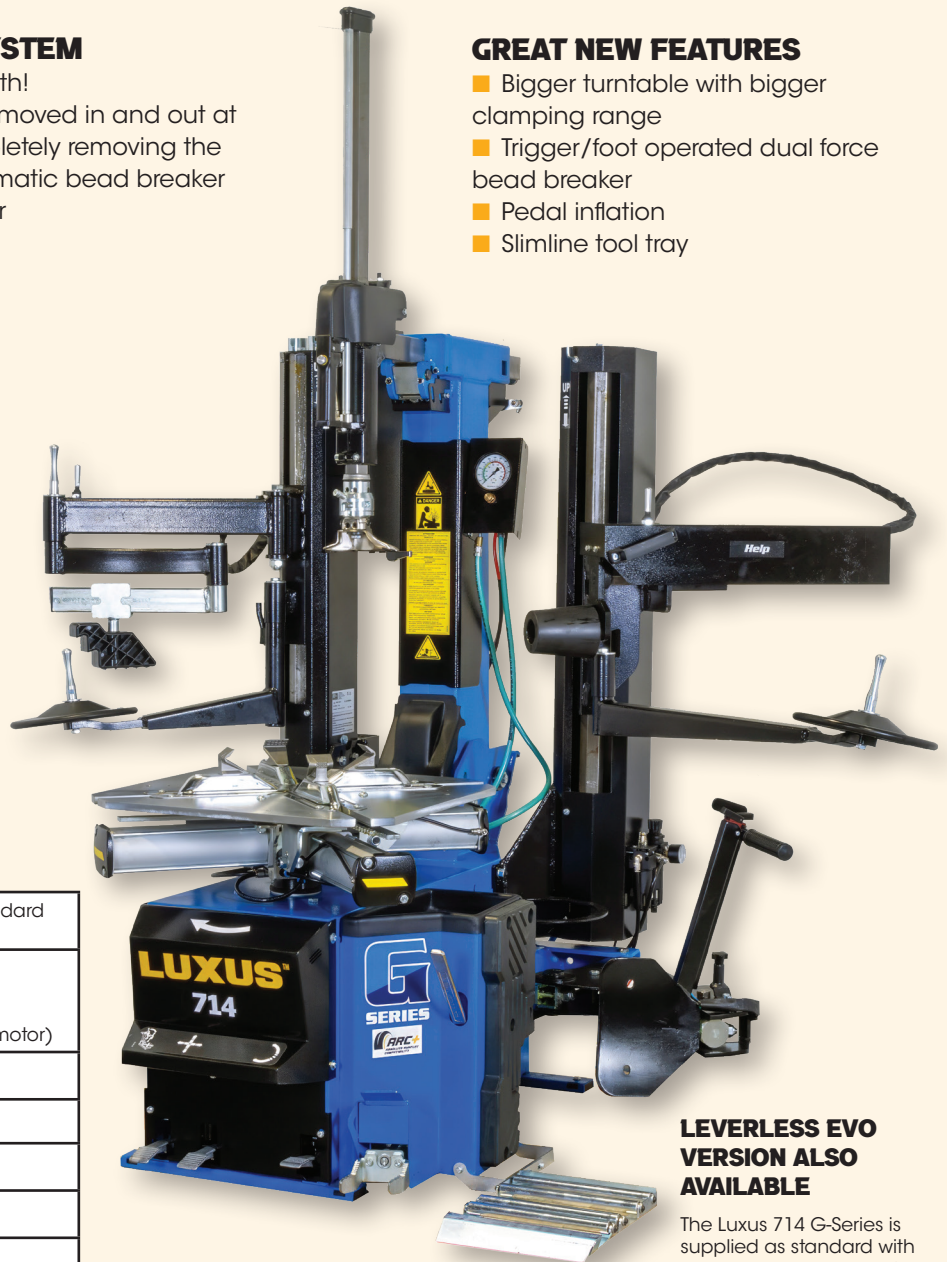

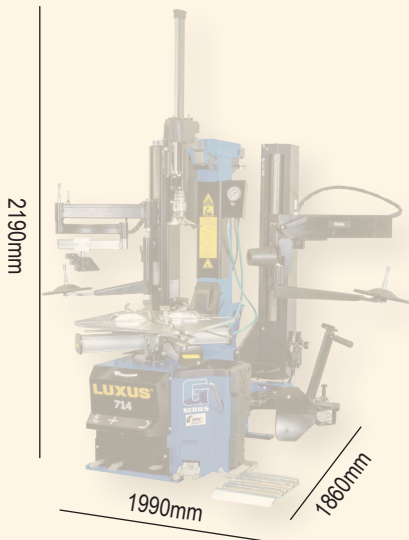

Arguably the most heavy duty and functional tyre changer on the market, the **Luxus 714 G-Series** is a step-up from the ultra-popular megamount 713XL. Incorporating several enhancements over the original machine, there is simply not another tyre changer on the market to match the 714 for strength, durability, performance or ease of use!

NEW DUAL-FORCE BEAD BREAKER SYSTEM

- Use foot-pedal control, thumb-controls, or both!
- Specially coated 'rim-friendly' blade can be moved in and out at will and can be stopped at any position, completely removing the 'all or nothing' approach of a traditional pneumatic bead breaker
- Over-sized cylinder provides unrivalled power

GREAT NEW FEATURES

- Bigger turntable with bigger clamping range
- Trigger/foot operated dual force bead breaker
- Pedal inflation
- Slimline tool tray
